“Now there arose up a new king over Egypt, which knew not Joseph.” Exodus 1:8

September/October 2018

David made the statement in Psalm 23, “He restoreth my soul.” We read of many times when situations and circumstances came into the life of David and got him down. Times when it seemed there was no hope that joy would ever be in his life again. Often we get in that same state. We face things that bring upon mental stress and physical exhaustion. Then before we know it we begin to weaken spiritually and our peace and joy dwindle away. When these times come I am so thankful that we, just as David did, can find restoration in the Lord. We serve a God that will restore our soul and bring us through anything that we face.

This past month has been very tiring with travel, but at the same time has been a great blessing. We have been in Mississippi, Georgia, Tennessee, Pennsylvania, Maryland, Ohio, and South Carolina presenting and preaching in several churches. I am thankful for each and every opportunity the Lord has given us. We have met many great people and been in some tremendous services. God truly blessed and led 4 new churches to partner with us.

We have now reached 71% of our needed financial support! I am truly amazed at how the Lord continues to provide and bless our family. We are earnestly praying that He will supply the remaining amount we need before April of next year. I know God can and I am trusting that He will.

Many of you that know me, know that I do not like to ask for things or mention financial needs outside of our support and I had planned not to mention our moving expenses, but I have had so many individuals and churches request

that I let them know what our costs will be to move and get set up in Wales. So after much prayer and council I put together a short list of expenses that we have been saving toward for when we move.

Visas	\$6500.00
Shipping	\$3300.00
Plane Tickets.....	\$4000.00
Vehicle.....	\$13,000.00
Rent Set Up.....	\$2000.00

Please pray for us as we continue on deputation. Our desire is to get to the field God has called us to, but we also want to be a blessing to the churches the Lord allows us to be in while we are traveling. Thank you to all that support us in your prayers and financially. We could not fulfill the calling upon our lives without you.

Prayer Request:

- That the lost will be saved
- For our support to be met
- For us to be used by God
- For our safety while traveling
- For all the families serving around the world
- For your church and your pastor
