Dear Praying Friends, Faithful Supporters, Pastor's & Churches,

I trust you are having a great New Year, serving our wonderful Savior. As you know we have been back in the United States temporarily, receiving medical treatment for our oldest daughter Dixie Mae, with treatment for her spine. Her treatment program has been extremely successful. Please continue to pray with us during this process for God's healing.

While back in the United States, a series of events has taken place that has led us to adjust the avenue that we receive financial support & donations.

God has led our family to partner with Westside Baptist Church of Rocky Face, GA as our sending church and clearinghouse, as we continue serving Christ in the Philippines. Westside has been extremely involved in our ministry by sending teams to the field & Pastor Rick Edwards has provided tremendous wisdom & support for our family, during our time serving in the Philippines.

We appreciate all of you who support us and our ministry and are happy to answer any questions that you may have. Our new cell number is 706-463-8172.

Please adjust the mailing address for all future correspondence & financial support to:

Michael Wonser  
C/O Westside Baptist Church  
P.O. Box 589  
Rocky Face, GA 30740

Checks will be payable to Westside Baptist Church with Michael Wonser on the memo line.

As Paul wrote in 2<sup>nd</sup> Timothy 1:4: "Greatly desiring to see thee, being mindful of thy tears, that I may be filled with joy", our entire family is extremely excited to re-unite with the members of our latest church plant in Cebu, "Malipayon Baptist Church." Please pray for our family as we prepare to return to the Philippines and continue serving Christ with all of our hearts.

In Christ,

The Wonser Family
