MAY 2018

ECHOES OF MERCY

Thank you for praying for the missions team from Echoes of Mercy Baptist Church in Cleveland, TN. Each member of their team worked extremely hard and poured their love into the people of Cebu. During their trip, we were able to distribute hundreds of Bibles, hundreds of pieces of gospel literature, and see many visitors attend our services as a result of our labor. Mrs. Francis White was also able to teach many new gospel songs to the children at our church. Echoes of Mercy Baptist Church has already planned their next missions trip for January 2019!!

TRAINING INDEGINOUS LEADERS

Each of the men in the center picture with Landon, are being trained for the gospel ministry. They are actively preaching, leading songs, and intensively learning the scriptures. The young man to the left of Landon (in the yellow shirt), is the son of the pastor who was killed for his faith in our mountain range. He has been actively attending our services and training sessions @ Malipayon Baptist Church. We have prayed and dreamed that men would desire to preach the word of God and be called as missionaries & pastors to other unreached areas of the world.

PLEASE CONTINUE PRAYING FOR DIXIE MAE

Many people have asked how Dixie Mae is feeling. She definitely still needs your intensive prayer. She has continued her treatment here in Cebu and has an online follow-up appointment with her Dr. in Florida, at the end of this month. Dixie Mae is still in a lot of pain but is very happy to be serving Christ here in Cebu. There is nowhere else in the world that she would rather be. Everyone here in Cebu has been loving, kind, compassionate, and encouraging to her.

Please remember our mailing address for all correspondence & financial support.
Checks can be payable to Westside Baptist Church with Michael Wonser on the memo line.
