

The **WONSER** Family

SEPTEMBER 2018

WAITING ON GOD'S WORD

Our hearts were so encouraged recently as we pulled into the McDonald's drive thru. A sweet young lady was waiting on our arrival. Mike had given her a Bible tract two weeks prior and she had put her faith and trust in God. She said that she had prayed and asked God to please send our family to McDonald's so that she could talk to us and ask for more Bible tracts. She wanted to give her friends Bible tracts so that they could read about the same God we introduced her to. Please never forget to share the love of Christ & the gospel with everyone that we meet.

OUR FILIPINA DAUGHTER

For the past few months, we have been caring for & discipling a young lady who accepted Christ & needed a loving family. It is with great excitement that we are able to enroll our Filipina daughter "Joera" into a Christian school in the city. It is called Bob Hughes Christian Academy and she has moved into the girls Bible College dorm. Please keep her in your prayers as this has been a huge adjustment for her, but also an exciting opportunity. We have helped her immensely with dental care, medical check-ups and teaching her the Bible. We have all gone through many emotions over the past few months but are ecstatic about this amazing opportunity in her life.

PLEASE KEEP PRAYING FOR DIXIE MAE

Our family will arrive stateside September 4th. Dixie Mae's 3D scan for her new "Scolibrace" will be on September 24th in Celebration, FL. Dixie Mae's week of intensive spinal corrective treatment will be October 1-5. Please pray specifically on these dates. We are still praying for the \$4,500 needed by September 24th for Dixie Mae's super-corrective spinal "Scolibrace". We are also praying for the \$3,000 needed for Dixie Mae's week of intensive spinal corrective treatment October 1-5. Thank you for your love & prayer for Dixie Mae.
